SPELLING MIX

A Molassed, Textured feed to provide a balanced ration for Spelling Horses.

- **Dunstan Spelling Mix** is a molassed textured full feed, providing a balanced ration to the Spelling Horse.
- The inclusion of an extruded cereal nugget in **Dunstan Spelling Mix** supplies a **readily available energy source**, but in a highly digestible form which is less likely to cause digestive upsets as a result of excessive fermentation in the caecum or hind gut.
- Further alternative energy sources contribute to **Dunstan Spelling Mix**, with the '**Super Fibre**' **Soya Hulls** providing calories from highly digestible fibre, beneficial for digestive health.
- **Vegetable Oil** provides further calories as well as enhancing skin and coat condition.
- Minerals are provided as **Glycinate Organic Trace Minerals** resulting in **improved bio-availability**. This ensures maximum feed and nutrient utilisation, also **aiding development of the natural immune system**.
- **Organic Selenium** as **Selenium Yeast** is included in **Dunstan Spelling Mix** to provide a highly available and safe form of Selenium.
- **Dunstan Spelling Mix** includes the highly bio-available **Natural Vitamin E**.

INGREDIENTS

Extruded Cereals, Barley, Peas, Soya Hulls, Wheat Pollard, Fibre Pellet, Soya Bean Meal, Vegetable Oil, Molasses, Limestone, Salt, Minerals and Vitamins.

Typical Analysis (Dry Matter Basis)

• Crude Protein.....	10.5 %
• Fibre.....	11.0 %
• Fat.....	6.0 %
• Salt.....	1.5 %
• Energy DE.....	13.0 MJ/Kg

Nutrient Composition – per kilo of Dunstan Spelling Mix (as fed)

• Crude Protein.....	95 g
• Calcium.....	14.0 g
• Phosphorus.....	5.0 g
• Sodium.....	4.0 g
• Chloride.....	8.0 g
• Potassium.....	11.0 g
• Magnesium.....	2.0 g
• Iron.....	140 mg
• Zinc (Organic).....	110 mg
• Manganese.....	80 mg
• Copper (Organic).....	40 mg
• Cobalt.....	0.5 mg
• Iodine.....	1.0 mg
• Selenium (Organic).....	0.3 mg
• Vitamin A.....	10,000 i.u.
• Vitamin D.....	1,000 i.u.
• Vitamin E.....	100 mg
• Vitamin K.....	2.0 mg
• Thiamine B1.....	6.0 mg
• Riboflavin B2.....	6.0 mg
• Pyridoxine B6.....	5.0 mg
• Vitamin B12.....	50 ug
• Niacin.....	20 mg
• Pantothenate.....	10 mg
• Biotin.....	100 ug
• Folic Acid.....	1.5 mg
• Choline.....	150 mg

Heat stable Vitamins added at time of manufacture.

FEEDING RECOMMENDATIONS

(Amounts per horse per day when offered as the full feed)

Maintenance:	2 - 3 kg
Condition Building:	4 - 5 kg

FEEDING NOTES

- The above recommended feeding rates for **Dunstan Spelling Mix** are based on a 500kg horse and are guidelines only. Daily feed amounts will vary depending on pasture availability and body condition. Horses are very much individuals with different metabolic efficiencies, some require a little more, others a little less, for the same level of activity.
- Ensure adequate fibre intakes by providing 1%-1.5% per day of the horse's body weight as chaff, hay, **Dunstan Betabeet/Sugarbeet** or pasture (on a Dry Matter basis).
- It is advisable to split the daily hard feed into at least two feeds, preferable 3-4, but feed no more than 2.0 kg of **Dunstan Spelling Mix** per meal.
- Always introduce a new feed gradually over a period of 7 - 10 days, working up to the desired feed intake taking into consideration body condition and work level.

GENERAL NOTES:

Always ensure the Horse has access to clean drinking water. High Copper levels in **Dunstan Spelling Mix** make it unsuitable for feeding to sheep.

EQUINE SAFE: Dunstan Horsefeeds are produced in Equine Safe manufacturing plants ensuring a product of premium quality, safety and performance. Professionally formulated for New Zealand Horses performing under New Zealand conditions
